

AIM FLY. FIGHT. WIN. HIGH

U.S. Air Force photo by Staff Sgt. Ramon A. Adelan

The Air Force mission depends on **YOU.**
Tobacco use impacts your health and readiness.

Smoking or chewing tobacco puts your health and our mission at risk.
Smoking causes cancer, heart disease, stroke, lung diseases, diabetes and chronic obstructive pulmonary disease (COPD), and increases the risk for tuberculosis, certain eye diseases and problems of the immune system.*

ALASKA'S
TOBACCO
QUITLINE
1-800-QUIT-NOW
IT'S FREE. IT'S CONFIDENTIAL. AND IT WORKS.
